- 2.3 Nothing in this Code is to be construed as requiring a Licensee to act unlawfully (for example, by breaching employment law in meeting the recruitment and vetting requirements set out in paragraph 3 of this Code).
- 2.4 This Code shall not be interpreted in any way which is inconsistent with the Mail Integrity Objectives.
- 2.5 Where this Code requires a policy to be established, that policy must be in writing and a copy must be given to the specific personnel within the Licensee's organisation who are

3.3 For the avoidance of doubt, in respect of any Licensee's existing permanent, temporary, casual or part-time employee or worker (including those under a contract for service) who is not (or might not be) involved in conveying, receiving, collecting, sorting, delivering or otherwise handling Code Postal Packets in the course of his or her work and who is to be redeployed such that he or she will (or might be) so involved, such redeployment should be treated for the purposes of this paragraph 3 as effectively the employment or use of that individual as a Relevant Employee and be subject to the other provisions of this paragraph 3.

3.4 Licensees must reasonably regularly monitor implementation of and compliance with the recruitment policy.

3.5 Licensees must reasonably regularly review the recruitment policy and, where necessary, update or amend the policy to ensure that it continues to meet the Mail Integrity Objectives.
